6) The clarifications referred to in para 2 above are noted below. —

What is the necessity to sanction the additional staff also on a permanent basis?

It is stated that there are five delivery post offices in the city area and the continuance of the additional staff also on a permanent basis is quite necessary for the efficient management

the
of levy of duties on dutiable articles,
received through post-offices

How is the entire staff now constituted:

1) Tuticorin postal — two Multisaddies & 4 peons

2) Basavavendi postal — 1 Multisaddie 1 peon

3) Madhavaram postal — — do —

4) Ulsoor postal — — do —

5) General post office postal — do —

What would the total cost come up to for the entire establishment including payment of charges to the postal Dept?

Rs

Establishment charges — 4752 - per annum

payment to postal Dept — 1130 — do

Total — Rs 5882 — per annum

Why should not the establishment be continued on a temporary basis for another two years and the result watched?

It is reported that it is necessary

to make the above establishment permanent in the interest of Municipal Revenue and to prevent diversion of dutiable articles and that the uncertainty of tenure of appointment would ~~have fatal effect~~ create discontent in the staff

7) The proposal to continue the temporarily raised staff on a permanent basis in connection with the recovery of Octroi on articles received through post, as per orders

4 Mukhaddams with effect from	
4 Peons on Rs (15)-4-(12)	
Additional staff

the levies of the Police Authorities on

Subject Continuance of the establishment employed in connection with the recovery of octroi on articles received through Post on a permanent basis

---

With reference to memo No 44 2102/36 dated 11-1-1947 forwarding the copy of letter No.L 9166 dated 30-12-1946 received from the Secretary to Government, Revenue Department, on the above subject, the undersigned begs to furnish the following information on the points mentioned in the said letter

(1) There are 5 delivery Post Offices in the City area As the sanctioned staff in Government Order No L 3694-5/M1 34-37 dated 22-8-1937 was found to be inadequate in view of the total number of delivery post offices being five and the work of the City Sub-Post Office being very heavy and could not be coped without a staff of two Mutsaddies and four peons, an additional staff of two Mutsaddies and four peons was sanctioned in G O No L 1733-4/M1 10-45-9 dated 5-9-1945 For the reasons stated above the full complement of 6 Mutsaddies and 8 peons is quite necessary and essential for the efficient management of levy of octroi on dutiable articles received through post

(2) The entire staff is distributed as follows -

(i) Two Mutsaddies and four peons are posted to work in the City Sub;Post Office Ookad at Chickpet

(ii) One Mutsaddi and one peon are posted to work at Basavanagudi Post Office Ookad.

(iii) One Mutsaddi and one peon are posted to work at Malleswaram Post Office Ookad

(iv) One Mutsaddi and one peon are posted to work at Hebbal Post Office Ookad

(v) One Mutsaddi and one peon are posted to work at the General Post Office Ookad

(3) The total cost of establishment including the Dearness Allowance and the payment of charges to the Postal authorities is Rs 5,881-8-0 per annum as per details given below

6 Mutsaddies on Rs 15/- each P M 15 x 6 x 12	1080-0-0
Towards the Dearness Allowance 6x15x90x 12	1080-0-0
8 peons on Rs 12/- each P M. 8 x 12 - 96x12	1152-0-0
Towards the Dearness Allowance 8x12 96x15	1440-0-0
Total establishment charges per Annum	Rs.4752-0-0

Payment to the Postal Department

Rs 94-2-0 x 12 per annum	1129-8-0
Grand Total	Rs 5881-8-0

p t o

(4) The scheme for the levy of Octroi on dutiable articles received through post has been given effect to on 15-1-1945 and evelance the results regarding collections etc are quite satisfactory. It is necessary and essential to make the scheme permanent in the interest of municipal revenue and also to prevent diversion of dutiable articles through post in case the scheme is discontinued. Further, the psychological effect on the staff in view of uncertainty of tenure will be fatal to the efficient discharge of their duties. That being so, there does not appear to be any reason to continue the establishment on a temporary basis for another two years and results watched. Hence the scheme and the establishment may kindly be made permanent.
